MANUFACTURE OF SORGHUM MILLE.

Messrs. H. Wells & Bro., Messrs. Wm.

These mills are much in demand, and the increase in the crop of sorghum has built up a trade for them which makes their manufacture quite a business, a large share of which has failen to our enterprising Martinsville manufacto

The molasses is worth about one dollar per gallon, and is marketable anywhere. Quite a crop of sorghum has been raised this year in the vicinity of Martinsville, and it is thought, as it has proven very profitable, that more will be raised
